Resolutions

In as much as we believe all ministers—and especially our pastors—should be examples of propriety and gentility to the children and youth of our country, and whereas, we believe the use of tobacco is, in most cases, injurious to the user, and that it almost always brings discomfort to some, and effects in some degree the opinions of those who observe our lives; therefore

Resolved, first, that this Conference does most earnestly and affectionately request and urge its members to discontinue its use themselves and to discourage it among others ;

Resolved, secondly, that we especially urge our young men to leave off this useless habit, and hereby notify all candidates for the ministry, that the use of tobacco will prejudice their cases as applicants for admission into this body.

CADESMAN POPE,
R. R. MOORE.

Your committee appointed to prepare a paper expressing the sentiments of this Conference disapproving the election of Brigham H. Roberts, an avowed polygamist, to the House of Representatives of the United States, submit the following :

Whereas, by the election of Brigham H. Roberts, Utah publicly repudiates her sacred agreement, which she made in order to secure admission into the

Union; and, whereas, the House of Representatives cannot permit Roberts to have a voice in the councils of the Nation without practically sanctioning polygamy; therefore,

Resolved, That the Little Rock Conference, representing thirty-five thousand Methodists in South Arkansas, most earnestly call upon every one of the Representatives in Congress to use his utmost endeavors to secure the prompt expulsion of the said Brigham H. Roberts from the House of Representatives.

Resolved, That our Secretary be instructed to furnish a copy of this action to Hons. T. C. McRae, W. L. Terry, S. B. Brundidge and Jno. S. Little, our Representatives in the United States Congress.

Report of Board of Trustees of Little Rock Conference

Board of Trustees of Little Rock Conference met at the M. E. Church, South, at Fordyce, November 2, 1899. Present, J. E. Godbey, J. R. Moore, James Thomas, J. R. Harvey and T. M. Mehaffy.

We are glad to report that we have \$500 out at 6 per cent. interest, and hope that our preachers will represent the matter and that we will soon have at least \$100,000 to invest for the worn-out preachers and widows and orphans.

This five hundred dollars is given in this way:

Dr. J. E. Godbey.....	note, 6 per cent. interest.....	\$100
Geo. Thornburgh.....	note, 6 per cent. interest	100
James Thomas.....	note, 6 per cent. interest.....	100
Hon. T. M. Mehaffy.....	note, 6 per cent. interest.....	100
Dr. J. R. Harvey	note, 6 per cent. interest.....	100
		<u>\$500</u>

We suggest that our preachers lay this matter on the hearts of the people, and we feel quite sure many bequests would be made.

Report of Board of Education

To the President and members of the Little Rock Annual Conference of the M. E. Church, South.

DEAR BRETHREN: Your Board of Education beg leave to submit the following report:

NO. 1—VANDERBILT UNIVERSITY

We are pleased to have with us Dr. Tillett, and to have heard from him of the work being accomplished in this great institution. We deplore the diminished income, and trust that in the near future this embarrassment will be removed. We commend this great school to our people.

NO. 2—TWENTIETH CENTURY MOVEMENT

At a joint meeting of the three Boards of Education in Arkansas, held at Little Rock on the 21st day of March, 1899, the portion of Twentieth Century thank offering distributed to the church in Arkansas by the General Board, was apportioned to the three Conferences and the amount, \$34,500, apportioned to the Little Rock Conference, was accepted and distributed to the several districts according to the distribution of the Missionary amounts and Conference claims.

We are gratified to learn that this distribution has been ratified by all of the districts except one, and we are assured that this one will fall into line and help forward this grand movement in the interest of Christian education.

At the joint meeting in March an Executive Committee was appointed to manage the Twentieth Century movement. Brother James Thomas is the Committeeman for Little Rock Conference and he reports through your Board to the Conference that the movement has reached the hearts of the people in many parts of the Conference, that subscriptions are being made already. Some have been directed to the endowment of Hendrix College, some to Galloway Female College, and some nondirected offerings have been made.

NO. 3—HENDRIX COLLEGE.

Your Board had the pleasure of the presence of Prof. A. C. Millar, President of Hendrix College, and of hearing from him of the continued prosperity of this institution. We note with much satisfaction the success already attained in the establishment of Hendrix Academies in various sections of the State and the good work being done in these preparatory schools.

We appreciate the necessity of an increasing income and the pressing demand for an endowment of Hendrix College. We would lay this matter upon

the hearts and consciences of the Methodists of Arkansas, and urge a diligent discharge of duty along this line. We trust that under the blessings of God and the influence of the Twentieth Century Movement the friends of Christian Education will lay upon the altar a thank offering that will not only remove the financial embarrassment of all of our schools but furnish an endowment that will so supplement the income of Hendrix College that the best results may be realized.

NO. 4—GALLOWAY FEMALE COLLEGE

We rejoice to learn from Rev. C. C. Godden, President of Galloway Female College, that the new building is nearing completion, and that it will so far surpass the old one in beauty, capacity and fitness that the lamentable fire of Nov. 27, 1898, is now looked upon by some as a blessing in disguise.

We are gratified to learn of the satisfactory opening and the continued coming of pupils to this institution, and that by the time it is completed this spacious new building will be taxed to accommodate those seeking admission. This we regard as an evidence of the appreciation of the work done by the institution.

We have before us a statement from the Treasurer of the Board of Trustees showing the cost of the new building without furniture and equipments to be \$38,888.47; that the Board owes borrowed money \$20,000, and a balance on building \$8,479.50, a total indebtedness on the building \$28,479.50. The cost of the furniture and equipment is not given, but we are informed that these have been furnished on long time at a low rate of interest.

We heartily commend the efforts of the Board of Trustees, the building committee and the citizens of Searcy in their heroic effort to restore to the church this college, so dear to Arkansas Methodism.

NO. 5—MINORITY REPORT

We, the undersigned members of your Educational Committee, being unable to give an assent to the majority report of said Committee upon the Arkadelphia Methodist College, respectfully submit the following minority report:

We recommend that the proposition of Prof. G. C. Jones to deed to the Little Rock Conference the Arkadelphia Methodist College property as set out in his agreement submitted be not accepted, and we would further recommend that we reaffirm our allegiance to Hendrix College for our boys and Galloway College for our girls.

W. C. RATCLIFFE,
JAMES THOMAS,
W. L. WOOLDRIDGE.

NO. 6—LITTLE ROCK CONFERENCE TRAINING SCHOOL

We cannot speak in too high terms of this excellent school. We here reiterate our oft-repeated commendation and appreciation of the magnificent work being done.

We are pleased to report that the good people of Fordyce have organized a stock company and are now building near the school a handsome building to be used as a home for the boys of this school.

We nominate W. J. Bunn, Jr., to fill the unexpired term of his honored father, W. J. Bunn, Sr., as a member of the Board of Trustees.

NO. 7—EDUCATIONAL COLLECTION

The Board has received on account of educational assessments the following sums:

Little Rock District.....	\$ 181.00
Pine Bluff District.....	135.00
Monticello District.....	113.00
Camden District.....	182.00
Prescott District.....	165.00
Arkadelphia District.....	124.25
Hot Springs District.....	76.78
Sunday School Board.....	67.20
Total.....	\$1044.23

Of this \$20.00 was directed to Hendrix College. This money we have disbursed as follows:

To Hendrix College.....	\$ 547.00
To the General Board of Education.....	253.20
To Paine and Lane Institutes.....	243.00
Total disbursement.....	\$1043.20

leaving a balance on hand of one dollar.

The General Board of Education makes an assessment on our Conference of \$230.00. We recommend the amount of \$650.00 for Hendrix College, these assessments to be distributed to the several districts on the basis of the Missionary assessment and Conference claims.

NO. 8—MINORITY REPORT

We, the undersigned members of your Educational Committee, would respectfully submit the following minority report:

We recommend that the Conference make no recommendation to the Bishop for the appointment of Rev. E. M. Pipkin as President of the Arkansas Woman's College of Little Rock.

JAMES THOMAS,
W. L. WOOLDRIDGE.

C. V. MURRY, Sec.

JAMES THOMAS, Pres. Board of Education.

The Following Resolutions Were Adopted:

VANDERBILT UNIVERSITY

Resolved, That in view of our special relation to Vanderbilt University, as one of the original patronizing Conferences, we recognize our obligations to aid in the endowment of the Biblical department of that institution, and we therefore urge our people in making their Twentieth Century thank offerings to education to carry out the expressed purpose of the General Conference in allowing 20 per cent. of all donations to go to the expenses of the General Board of Education and the endowment of the Biblical department of Vanderbilt University.

H. JEWELL,
J. A. SAGE.

ARKADELPHIA METHODIST COLLEGE

Resolved, That the Arkadelphia Methodist College be considered as occupying the same relation to this Conference that it has occupied since 1894.

J. S. HAWKINS,
J. A. SAGE.

Report on Temperance

The temperance question is, and ever will remain, a burning question until it is settled right; it never can be settled right as long as a single licensed saloon, or native wine shop, its twin sister, remains to menace our homes and degrade and debauch our citizens.

We reaffirm our opposition to the liquor traffic in all its phases, whether it is under the so-called regulation of high or low license. We affirm that the liquor traffic as it exists, and plies its nefarious trade in Christian America and other Christian countries, under the solemn sanction and protection of law, is the colossal crime of the age, if not of the centuries. It stands for everything that is vicious and vile. It was conceived and brought forth in inordinate greed. It worships at no shrine save the shrine of Mammon. It swears loyalty to no party, yet it demands the recognition of all parties. It owes allegiance to no country, yet it claims all men for its legitimate prey. It is the foster mother of crime, and is at once the nursery and refuge of criminals. It populates our penitentiaries and insane asylums with its wrecked and ruined victims.

If a single count in the foregoing indictment is true, this so-called business cannot be legalized without sin. We raise the question: "Has the State the right to license the citizens to do that which is morally wrong?" If so, whence comes that right? All authority is of God. The ten commandments are the Magna Charta of all human government.

This Magna Charta, in its simplest analysis as given by the Great Teacher, is supreme love to God, and love to our neighbors as ourselves. "Love is the fulfilling of the law." If we are right in this assumption, in legalizing the liquor traffic the State and Nation violate the law of God. And since it is the people who make the State, the people sin when by their votes they make the open saloon possible. Every man or woman who by vote or petition aids or abets in the procurement of liquor license sins against God, "And he who sins against God, sins against his own soul," his neighbors, the church and the State.

It is written, "Woe to him who buildeth a town with blood, establisheth a city by iniquity; woe to him who putteth the bottle to his neighbor and maketh him drunken." Who does this? Let us see. I go to the saloonkeeper and ask him who made you? He answers "the law made me." I ask the law who made you? And the law replies "the legislature made me." I ask the legislature who made you? And the answer is "the people, the voters made me." I go to the drunkard and ask him who made you? And he tells me the saloon made him. It is written again: "No drunkard shall inherit eternal life." This is a chain with five links: When the drunkard at one end of this chain, and the dram-maker at the other end, plunge into the drunkard's hell, where shall those forming the other two links be found? Let the voters and the law-makers answer to God and their own consciences.

We are profoundly grateful to the Giver of all good for the progress made in ridding our State from this awful curse.

We rejoice in the fact that liquor dealers are being more and more ostracized by every organization, having for object the betterment of society and the amelioration of our fallen race. We rejoice that some of the great railway systems have abolished all drinking places along their lines.

The concensus of opinion of the most intelligent and best informed men in the grape-growing sections of the State, bears us out in saying that the native wine-shop is more harmful to our youth than the open saloon. The law on our statute books respecting the sale of native wine is little less than an insult to the temperance people of the State.

We believe the times are propitious for an advance on the enemy's strongholds. Let us gird ourselves for the battle of the ballots in 1900.

We appeal not only to our immediate constituency, but to every citizen of this great commonwealth, who would strike one blow for "God and home and our native land," to align himself against this commonwealth foe. While with glad, grateful hearts we are bringing our dollars as a tribute of love and thankfulness to God for His abounding goodness to us all as a church, let us cease to ask the Lord to do for us what we can do for ourselves, and as citizens clothed with the elective franchise, go to the polls and do what the Lord would have us do: bury this monstrous agency for evil beneath an avalanche of "No License" votes so deep that it SHALL sleep one long eternal sleep. Let us offer to the Lord for a Twentieth Century thank offering, Arkansas, redeemed from the curse and blight of the liquor traffic. We must throttle the serpent of the still else it will throttle us. No man can give a good reason why it should live. Then let it die. It is the only protected trade or traffic that could be absolutely blotted out, and have the country richer, purer and happier by its passing.

Therefore be it resolved:

1. That we will use every righteous means in our power to carry the State against license and against the sale of native wines.
2. That we request our preachers to preach upon the evils of intemperance at such times as they may think best.
3. That we respectfully request the next legislature to repeal the present laws regulating the sale of native wine, and provide that its sale be regulated by the same laws that control the sale of all other intoxicants.
4. That we request the legislature to so amend the liquor laws that the penalty for selling intoxicants to minors, or on the Sabbath, in violation of law, shall be forfeiture of license, and the person debarred from obtaining license for two years.
5. That we call upon the county judges throughout the State to see that none but "men of good moral character" be granted saloon license, as the law provides.
6. That we heartily endorse the Anti-Saloon League and its work, and pledge our co-operation with it in its efforts to suppress the saloon, and we commend the Search-Light (their organ) to our people.
7. That we recognize in the Arkansas Methodist one of the chief factors in this battle for civic righteousness.
8. Whereas, the Army canteen is a national scandal and disgrace, and a moral stench in the nostrils of all Christian people, and a menace to the efficiency and morale of the army, as well as an awful peril to our soldiers; therefore Resolved, That we respectfully request his excellency, President McKinley, to use all the authority vested in him as Commander-in-Chief of the army, to abolish the canteen from the army and all of our army posts.

Report on Epworth Leagues

We rejoice that the circulation of the Era is constantly increasing, and that the literary excellence of this paper still commands the approval of our people.

While the number of Leagues and League members is larger than ever before, we are sorry to say that in our Conference there has been a decrease in both Leagues and members for the last three years.

We recommend that the Holston plan be adopted for the Little Rock Conference. This plan consists of a general and concerted effort in the districts of the annual Conferences to assist the pastors in paying the entire Missionary assessment.

We present the following resolutions for the consideration of the Conference:

1. Resolved, That our preachers be urged to use more diligence in organizing and carrying forward League work.

2. That this Conference approve the holding next year of a General League Conference for the Leagues of Southern Methodism.

(Signed for Board) JAMES M. HAWLEY, Sec'y.

Joint Board of Finance

Your Joint Board makes the following report:

The Conference was assessed for claimants this year..	\$4235.00
Collected on foregoing.....	4242.12
From Calvin fund.....	20.00
	<u>\$4257.12</u>

Which gives an excess over assessment, \$36.00.

This has been applied as will be seen by the Treasurer's report.

For Bishops has been contributed	\$ 912.00
For printing minutes	159.50
Assessed for Bishops for ensuing year.....	980.00
For General Conference expenses.....	490.00
For printing minutes	205.00
Assessed for conference claims ten per cent. of amount assessed for ministerial support.	

Resolved, That we deem it unwise for any superannuate or other claimant to draw on the preachers for money in advance of the meeting of the annual Conference.

Resolved (2), That no preacher shall pay over any moneys to any claimant in the interim of the Conference session without an order signed by the President of the Board.

Resolved (3), That the Chairman of the Board shall not give such order unless the case be of extreme necessity and is made clearly so to appear.

(Signed by Joint Board of Finance). L. B. HAWLEY, Pres.

(The Secretary has never received the list of charges aided by this Board.)

Missions

Selfishness is the bane of Christianity. Religion is the antidote of selfishness. If Methodism be "Christianity in earnest," the Missionary spirit is Methodism in perfect flower. It is the highest product of the gospel. It is Christianity in its last analysis. Missions are the true exponent of church life. The possession of the Missionary spirit is not optional—something we may have and not at pleasure. It is basal and fundamental. An anti-Missionary church will be a missing church. A church without conscience on Missions will be without Christ in experience. We must expend or expire. It is the liberal soul that is made fat. It is the church that goes with which Christ stays. When we stay He goes. No man can draw the boundary line. "From Jerusalem to the

uttermost parts of the earth" is the divine command. The slums of our own cities, the wilds of our mountains, and the plague-smitten districts of the Orient, are included in the Father's love, the Son's atonement, the Spirit's ministry, and our commission. We dare not limit it. Preachers, churches, schools find their purpose here. The end of all service is the salvation of souls. Anything less is subversive of the Gospel. Anything different is another Gospel.

Your Board rejoices over enlarging faith, and therefore increasing receipts. We give grateful thanks to Almighty God for the abounding tokens of His favor.

Resolved, That this Conference pledges itself to greater effort to extend the circulation of Missionary literature, especially the Review of Missions.

Resolved, That this Conference pledges itself to early collections and prompt remittances.

Resolved, That we give our cordial support to the Woman's Work—foreign and home—and pledge to them our hearty co-operation.

Resolved, that we remind our Presiding Elders of the disciplinary provision for holding Missionary Institutes in each district.

Resolved, that we request the appointment of J. R. Moore as Conference Missionary Secretary.
H. D. MCKINNON, Pres.

Report of Board of Church Extension

We rejoice to note the increased interest in church building throughout our Conference. Never in the history of our board have there been so numerous and pressing demands for aid. Sixteen applications asking for sums from \$400 to \$50 were presented, making a total of \$2440.91. The collections and assessments amounted to \$1407.05, giving to our Board as its share for distribution \$703.52. From this we made the following grants:

To Fordyce	\$150.00
To Onalaska.....	50.00
To Sardis	25.00
To Winthrop	125.00
To DeQueen.....	100.00
To Prairie Grove	35.00
To Campshed.....	50.00
To New Edinburgh	35.00
Total	\$685.00

Leaving a balance of \$19.17 to be used for incidental expenses of the Board.

These figures disclose the fact that we had but little more than one-fourth of the amount asked for. To afford help to some churches greatly needing immediate aid, and in order to do something that would be a help of any consequence, we were compelled to let some applications pass without giving any aid whatever. This we greatly regret, but scanty funds forced us to the painful action.

W. R. HARRISON, Sec.

Respectfully submitted,
T. D. SCOTT, Pres.

Sunday School Board

Your Sunday School Board submits the following report:

We rejoice with the whole church in the improved character and increased circulation of our Sunday School literature. While there is a slight decrease in schools and scholars in some of the Conferences, we are pleased to report a healthy increase in our Conference.

We rejoice to know of the improvement in the work of our schools.

We recommend all of our Sunday School literature to our people, and urge them to circulate the magazine more fully. We call especial attention to the Weekly Visitor and recommend that a copy be placed in all our homes where there are children.

We would urge all our Presiding Elders to hold district Sunday School Conferences as directed by the discipline.

We are glad to report a more general observance of Children's Day and an increase in the collections on Children's Day.

We are gratified to know that Missionary Rally Day was largely observed in our schools, and consider it a great means of education.

Our preachers in charge should remember that they are the pastors of our Sunday Schools and should be faithful in their attendance upon the same and the superintendents should recognize the disciplinary right of the pastors in the Sunday School. There should be a house-to-house canvass made by our Sunday School workers and an endeavor made to have all of the children in our respective jurisdictions attend our schools. We recommend the practical observance of the discipline "where ten persons can be gathered together for that purpose let a Sunday School be organized."

S. C. DEAN, Sec.

Respectfully,

3. The said Board is authorized to buy premises, locate the home, invest or place at interest any and all funds that may come into its hands for the use of said Orphanage, and shall make full and complete report of its acts and doings to the annual Conferences of the M. Under the provisions of this constitution, the Board elected the following named officers, viz:

Rev. J. R. Cason, President.

Rev. W. B. Ricks, Secretary.

George Thornburgh, Treasurer.

At the meeting of the Board of Trustees, held May 3, 1899, notice was ordered to be given that the Board would locate the Orphanage at the place making the most favorable bid for the same.

Rev. J. M. Workman was appointed agent.

At the annual meeting held October 25, the undersigned were appointed to prepare and submit to the three Conferences a statement of what had been done by the Board. We respectfully submit the above report and ask your approval and hearty support.

J. R. CASON, President.

Publishing Interests

REPORT NO. 1

The Arkansas Methodist, the official organ of the Conference, is endorsed by the committee for its policy and conduct under the present management.

The paper is recommended to the Conference as an excellent medium through which the various interests of the church may be admirably presented to the people.

The editorship of Dr. J. E. Godbey has been wisely conservative and faithful to the doctrines and interests of the church. The committee requests that Dr. Godbey be reappointed as editor of the Methodist.

The committee further recommends the selection of James A. Anderson, T. D. Scott and T. H. Ware as editorial committee.

REPORT NO. 2

The financial exhibit of the Publishing House is especially gratifying in view of the unfavorable conditions recited by the agents under which the business of the house has been conducted. We rejoice in the hopeful outlook for the coming year; and we assure the agents of our sympathetic co-operation in accomplishing the best results for our great publishing interests during the coming year.

The establishment of a branch house for better representation of our interests and the larger dissemination of our literature in the State of Texas, is regarded by the committee as a commendable enterprise. The establishment of branch houses in other parts of our connection as the Publishing House may have opportunity and facility will, in the judgment of the committee, extend the influence of the house and increase its patronage.

As respects the publishing house in Shanghai, China, your committee do not see why this matter should have been so long delayed. The book committee, it appears to us, can find a suitable man for this enterprise as easily now as they will be able to do at any future time. We urgently request that this matter be hastened. There is every reason to believe that the \$50,000 required for this purpose will produce a far larger revenue in Shanghai than it will produce in Nashville city railway bonds, and the money will be otherwise serving the church.

The excellency of our periodicals in editorial work, as well as in contributed matter to the columns of our papers and magazines, is recognized, and we heartily express our appreciation and endorsement of the Era, the Methodist Review and the Christian Advocate.

A. P. FEW, Sec.

WM. E. THOMPSON, Chairman.

The American Bible Society

The American Bible Society is one of the greatest agencies the world has ever known for the dissemination of the Word of God. Such a society is by far the most economical method of distribution. We deem it a wise move by the General Conference to order a collection to be taken in every charge in our connection each year for this society. If strict attention were given to this order, it would very materially aid in the spread of Christ's Kingdom over the earth. We regret to learn that funds of the society have been so short that they cannot at present give a free distribution of the Bible, one-half the cost of making the books being the best they can now do.

Your committee earnestly requests that every pastor recognize this society as one of the institutions of the church; and lay it upon the hearts of our people.

J. H. GLASS, Sec.

T. O. OWEN, Chairman.

District Conference Journals

We have examined the journals of the districts that were delivered to us and find them kept in a neat and business-like manner, and to be reliable church history.

The Monticello record was not before us.

W. P. WHALEY,
R. A. MCCLINTOCK,
G. RULE, JR.

Resolution of Thanks

Resolved, That this Conference has been royally entertained, and records the fact with profound pleasure.

Resolved (2), That we beg our hosts to accept our thanks and to be assured that we will commend them to the covenant mercies of God, who blesses the giver of a cup of cold water only to a disciple.

3. That our thanks be tendered to the railroads for reduced rates, and to our sister churches for courtesies.

4. That our Secretary be requested to notify the several railroads of this action.

J. R. MOORE,
JAMES THOMAS.

Memoir of R. L. Wozencraft

Of Little Rock Conference

Rev. R. L. Wozencraft was born in Dallas County, Ark., Oct. 21, 1862; was married to Miss Mattie Shankle, March 8, 1887. He was converted and joined the M. E. Church, South, the same year. He was licensed to preach and admitted on trial in the Little Rock Conference in 1892. His first two years were on the Bryant circuit, where he did a splendid work and is justly held in high esteem. His third year was on Mabelvale circuit. From there he went to England and Liberty, remaining three years and returned the fourth. But his work was done. He died in Hot Springs, March 6, 1899.

A braver, truer man, more loyal soldier of Christ, never fell with his armor on. With the calmness of one preparing to take an evening nap, he closed his eyes and "fell on sleep."

Nature had done much for him. He was a fine specimen of physical manhood, of commanding presence, and a gentleman to the manner born. His mental faculties were of a high order and held in even balance. His moral rules were copied from the Bible, from which he would not deviate. His educational advantages were such as the country afforded, but he had improved his opportunities. He had read and assimilated much from our best authors. "His life was short, but he made it broad."

He was a man of God. He knew Christ and was conscious of a living, abiding Savior. When the time came that he most needed the consolations of divine love it was not wanting. His was a most triumphant death. He called his children to him and tenderly embraced and kissed them farewell, one at a time.

He talked calmly to his wife and brother about business matters, sent words of tender regard to his aged mother, and then, with an unfaltering trust, he resigned himself to Christ. Life's work was done, he entered Heaven. Thus died one of the most brilliant and promising young men of our Conference.

THOS. H. WARE.

Fordyce, Arkansas

J. D. CLARY, Principal

ADVANTAGES—Thorough work, personal supervision by teachers, healthful location, splendid moral and Christian community, new Students' Home, pupils have taken first honors at six colleges, no cigarette smokers taken, expenses \$150-\$160 per year, number limited.

It is not necessary that this should be a school of one hundred or fifty boys, but it is necessary that it should be a school of Christian gentlemen.
